STRATEGY & PROCESS DESCRIPTION

This strategy focuses on the stocks within Russell 1000.

Utilizing 11 standard GICS sectors, the portfolio applies a model-driven systematic approach to identify stocks that are expected to significantly underperform the market and exclude them from the portfolio.

Our portfolio is sector-neutral and employs separately constructed models for each sector.

The maximum underweight position for any stock is fixed at 50bps.

*Dispersion is not presented when five or fewer portfolios are included in the composite for the full year.

** These returns represent the year-to-date performance for Enhanced Core Russell 1000 from July to December 2016.

*** The composite inception date is 07/01/2016, therefore 36 months of data is not available to present the 3 year standard deviation.

WEDGE Capital Management L.L.P. claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS Standards. WEDGE Capital Management L.L.P. has been independently verified for the period January 1, 2013 through December 31, 2017. The verification report is available upon request. Verification assesses whether (1) the firm has complied with all the composite construction requirements of the GIPS standards on a firm-wide basis and (2) the firm's policies and procedures are designed to calculate and present performance in compliance with the GIPS standards. Verification does not ensure the accuracy of any specific composite presentation. WEDGE Capital Management L.L.P. is an SEC registered independent investment adviser owned by twelve general partners. The firm was founded in 1984 and provides a range of equity, fixed income, and balanced investment products to institutional and other investors. The firm's policies for valuing portfolios, calculating performance, and preparing compliant presentations, as well as a list of all composite descriptions, are available by contacting the Performance Group, WEDGE Capital Management, 301 S. College Street, Suite 3800, Charlotte, NC 28202 or performance@wedgcapital.com.

Performance data is historical and is no indication of future results. Valuations and returns are in U.S. dollars. Beginning April 2004 performance includes accruals. Internal dispersion is calculated using equal-weighted standard deviation of all portfolios that were included in the composite for the entire year. Investment returns reflect the reinvestment of dividends and/or interest. Gross performance results are presented before management fees but after all trading expenses.

Enhanced Core Russell 1000: The Enhanced Core Russell 1000 composite was created on 07/01/2016. The composite consists of discretionary accounts of WEDGE Capital Management L.L.P. with a minimum of \$1MM invested in the Enhanced Core Russell 1000 strategy. Beginning July 1, 2018, an account must be below the minimum size threshold at the end of the month before it is removed from the strategy composite. Prior to July 1, 2018 the exclusion period was three months instead of one month. The Enhanced Core Russell 1000 strategy is actively managed and applies a quantitative approach to the securities within the Russell 1000 Index. Net returns are calculated by subtracting the highest applicable management fee (0.30% on an annual basis, from inception through 06/30/2017, 0.20% thereafter or 0.025% monthly through 06/30/2017 and 0.017% thereafter) on a monthly basis from the gross composite monthly return. The management fee schedule is as follows: 0.20% on total assets (previously, 0.30% on an annual basis from inception through 06/30/2017). See Part 2A of Form ADV for details of management fees. The appropriate index is the Russell 1000 Index which measures the performance of the large cap segments of the U.S. equity universe. Investors cannot invest directly in an index.
